Special Use

dollars (\$.....) for the period

from....., 19....., to December 31, 19....., and thereafter annually,

on January 1,

dollars (\$.....).

2. The permittee shall comply with the regulations of the Department of Agriculture governing the National Forest, shall observe all sanitary laws and regulations applicable to the premises, and shall keep the premises in a neat and orderly condition and dispose of all refuse and locate outhouses and cesspools as required by the Forest officers.

3. This permit is subject to all valid claims.

4. The permittee shall take all reasonable precaution to prevent and suppress forest fires.

5. The permittee, if engaged in business, shall conduct same in an orderly manner and in accordance with all requirements of the laws of the State of Utah, as well as the laws of the United States.

6. The permittee shall pay the United States for any damage to its property resulting from this use.

7. The permittee shall fully repair all damage, other than ordinary wear and tear, to roads and trails in the National Forests caused by the permittee in the exercise of the privilege granted by this permit.

8. Construction work (or occupancy and use) under this permit shall begin within _____ months, be completed within _____ years from the date of the permit, and this use shall be actually exercised at least _____ days each year, unless the time is extended or shortened.

9. In case of change of address, permittee shall immediately notify the Forest Supervisor.

10. The charges for this use may be readjusted whenever necessary to place this permit on a basis consistent with the charge to other permittees for like privileges. A general readjustment will be made at the end of five years from the date of issuance of permit and at the end of each five-year period thereafter.

11. No National Forest timber may be cut or destroyed without first obtaining a permit from the Forest Supervisor.

12. Upon the abandonment, termination, or revocation of this permit, and in the absence of an agreement to the contrary, the permittee, if all the rental charges due the Government have been paid, may, within a reasonable period to be determined by the issuing officer, remove all structures which have been placed on the premises by him, except where the material was furnished by the Forest Service, but upon failure to remove the structures within that period they shall become the property of the United States.

13. This permit may be transferred with the approval of the officer by whom it was given or his successor, subject to such conditions as may be imposed at the time of transfer. It shall terminate upon breach of any of the conditions herein or at the discretion of the Regional Forester or the Forester.

14. The permittee shall provide, whenever requested by the Forest officers, a way across the land covered by this permit for the free ingress or egress of Forest officers and for users of National Forest land and purchasers of National Forest products.

15. The Forest Service assumes no responsibility for maintaining road,
(Special stipulations necessary)
which must be available for free use by the public at all times.

16. All timber and brush cut must be disposed of as directed by the
Forest Supervisor.

17. The road must be located and constructed according to plans approved
August 1933 FAS No. 138-C. Where high cuts and fills required by above plans
make 132-ft. right-of-way inadequate, the use of additional area required for
cuts and fills is permitted.

Gentlemen:

Reference is made to Special Use Permit designated as above
and issued on _____ for the purpose of _____

Since clause 6 of that permit is in effect an unlimited liability clause and it is beyond the authority of officials of states, counties and municipalities or other governmental agencies to accept a permit which so binds the political subdivision or agency they represent, the following clause is hereby substituted for said clause 6 of the aforesaid permit and made a part thereof:

"The permittee agrees to take all reasonable precaution to avoid damage to timber, young growth and watershed cover and diligently to undertake suppression action in the event of fire resulting from the exercise of the privileges herein granted."

Very truly yours,

F. C. KOZIOL, Forest Supervisor

Dear Sir:

Notice is hereby given that permission granted by the above designated special use permit shall hereafter be subject to the condition that the following clause is hereby substituted for clause 6 of that permit:

"The permittee agrees to take all reasonable precaution to avoid damage to property and resources of the United States, and diligently to undertake suppression action in the event of fire resulting from the exercise of the privilege herein granted."

Very truly yours,

Acting Regional Forester

✓ cc: Ranger Salt Lake District

P.S. Please attach this amendment to your permit. Permittee desiring additional information about this substitution of clauses and the reasons therefor should write to the Forest Supervisor or the Forest Ranger.
