The Cottonwood Heights City Council is about to vote on granting UTA Board Member and Developer Terry Diehl 4.2 MILLION Sq. Ft. of housing in 4 story condos, 56 feet high, on the TAVACI site at the mouth of Big Cottonwood Canyon. Imagine 8 Pinnacle Highland Apartment Complexes. This is after a backdoor approach that backfired on Diehl last year. The City Council is about to ignore the recommendations of the Citizen's Committee and STILL give Diehl his bailout.

**RAISE YOUR VOICES AND TELL THE COUNCIL "NO" BAILOUT
KEEP THE ZONING THE WAY IT IS - 43 HOUSES IS ENOUGH**
